About Us

Launched in 2009 by MDPI, Sciforum is an event management platform
that supports open science by offering the opportunity to participate in,
as well as to organize, academic events. Having hosted hundreds
of events (be it in-person events, virtual events, or webinars), Sciforum helps
organizers reduce their administrative efforts by providing a comprehensive
set of tools to successfully manage academic events.

Sciforum Will Help You To

- Easily build your own event's website
- Define your own submission settings
- Manage submissions and its peer-review
- Handle registrations and invoicing
- Easily contact your event attendees and authors
- And much more...
